BROOKLYN OFFICE
Dear Judge Gleeson

I hope my letter finds you doing well. I wish you all the best as well your family and loved ones.

Now I understand how difficult is being a foreign "Immigrant" in a country, specially when I am in male and don't have no one to help me. I hope I am not bothering you with this letter but I was left with no choice but to write you dear Judge.

When I got arrested I was living in Brooklyn with 3 other roommates. Following the search warrant by FBI a lot of my personal as well my friends property were seized by FBI and NEVER GIVEN BACK. I even never got the list of items.

For 16 months I ^{been} have incarcerated. I tried to follow up this matter with my attorneys but they failed. I still didn't understand was my lawyer's insufficiency - negligence or FBI didn't want to help then. I will mention some of the personal properties that I can remember in the following below:

A) My property

- Passport (New and expired one)
- High school diploma - Certificates
- Money: 1300 \$ were taken by agent and never mentioned in FD-302 form. Money was in wallet.

- Personal IDs and paper documents
- Books etc

B) My roomates property

- Klement Balliu's Bachelor degree
- Ardian Ruci's " "
- Besim Djaloshi's " "
- Klement Balliu's laptop
- Besim Djaloshi's social security number
- cell phones and IPAD
- Personal IDs and paper Documents etc

Your honour as you see the property is very important specially my friend's property. They looking forward to get master degrees and PHD but their rights are taken. Please let them follow their American dream which they trying to built so hard. Please bring to an end their ~~cause~~ trouble that I caused.

I understand that this not only one request but our constitutional right too and you are the only one who can apply the law best.

GOD BLESS YOU

Sincerely

Agron Hasbajrami

Please don't worry Agron. We will visit you in Fairton. Please do not think that we will forget you. Everything that we promised to do will be done. The only difference is that you were moved from Brooklyn, New York to Fairton, New Jersey. We are now, and will always be, your lawyers. Until you are released and returned to your family, we will be here for you.

Dear mr. steve and mr. michael

I really was looking forward to meet you during these 20 days after i got sentenced but all the hopes went in vain. Now i packed out and i am leaving to prison. We have been working together for 1 year and i appreciate what you did in my case and your help. I always tried to built a friendship relation between us, more than attorney - client. Even the case is over now we still got 2 more issues that never been resolved. I have been mention those since in the begining of process but always excuses or lies were present.

Let me start with the first issue:

1) PROPERTY

I never got even the list of my property seized by the FBI even my ex-roomates that were living with me did. Long story short let me basically mention what is missing and i am just trying to remember form my memory.

A) MY PROPERTY
PASSPORT (NEW AND EXPIRED ONE)
HIGH SCHOOL DIPLOMA
CERTIFICATES
MONEY :1300\$ THAT WERE TAKEN BY AGENT WHEN I GOT ARRESTED
PERSONAL ID'S AND FILES
BOOKS

B) MY EX-ROOMATES PROPERTY
KLEMENT BALLIU'S BACHELOR DEGREE
ARDIAN RUCIU'S BACHELOR DEGREE
BESIM DJALOSHI'S BACHELOR DEGREE
LAPTOP
CELL PHONE
IPOD
BESIM DJALOSHI'S SOCIAL SECURITY
PERSONAL ID'S AND DOCUMENT
AND ANYTHING ELSE THAT IT MIGHT BE WHICH I DONT REMEMBER

Every single item is important but the most one are the bachelor degrees of my friends. They deserve to take their diploma and to prepare to complete their dreams of getting masters and PHD degrees. It's enough for them they trouble i have caused them.

2) The second issue is the LEGAL WORKS

I always keep requesting those but i never understood why is so much neglilation from you. Everything is simple. Like in bussiness. Pay the money get the product. Now i believe it's time to get the legal work. This is the list as it mention below:

PSR (OLD AND NEW ONE)
UPDATE SENTENCE MEMO
LETTERS FROM MY FAMILY
SENTENCE HEARING
LIST OF MY PROPERTY TAKEN BY FBI
DISCOVERY: AUDIO AND VIDEO
ABU YASSER STATEMENT

TRULINCS 65794053 - HASBAJRAMI, AGRON - Unit: FAI-C-R

All due respect i believe you understand the importance of my issues and need to be resolved as soon as possible. I dont think its resaonable to wait till you will come one day of my 15 year senteces to visit me in prison so i can take the legal work.I think you will send earlier.
I hope that i am very clear in my explanation and wish that you will help me by doing your job . Otherwise you leaving me no choise but to write to judge in hope that he may help me.

thank you for your understanding and cooperation
god bless you

DEAR MR. STEVE

WHAT'S GOING ON WITH MY PROPERTY? DID YOU HAVE ANY PROGRESS?
I NEED A COPY OF MY PROPERTY'S LIST SEIZED BY FBI.
MY FRIENDS NEED THEIR BACHELOR DIPLOMA TO ATTEND THE MASTER PROGRAMS.
NO BODY HAS THE RIGHT TO KEEP THE DIPLOMAS. THERE IS NO CONSTITUTION AT ALL.
I DON'T HAVE NO MORE PATIENT WITH FBI.I WILL WRITE TO THE JUDGE.

THANK YOU.
